

## Discussion/Review Questions

### Conspiracy 365: April By Gabrielle Lord

1. At the beginning of this book, Cal finally has the chance to read the Ormond Riddle and he discovers that he only has six of the original eight lines. Based upon the lines that he does have, what are some of your ideas on what it might mean? Later in the book Winter suggests that the Riddle is somehow connected to the drawings. Do you agree? Why or why not?
2. When Cal stumbled upon the Department of Defense hut, he found new supplies such as night vision goggles, a map and food ration packs. If you could give Cal one more item that might help him in the future, what would it be and why would you give it to him?
3. Winter overheard Kelvin say that Oriana de la Force has a way of always knowing Cal's location. Describe how you think she is able to do this.
4. At the end of this book, Cal has been admitted as a patient in the Leechwood Lodge Asylum under a fake name, and he thinks that Winter has betrayed him and is the person responsible for his situation. Do you agree with Cal? Why or why not?
5. Cal met several new people in this book who helped him in different ways. Who do you think helped Cal the most? Why?
