

Conspiracy 365: June
By Gabrielle Lord

Discussion Questions

- 1) After he crashes the Ormond Orca, Cal is almost caught by Sumo and Kelvin but is able to get away when a “mob of wild brumbies” rush away from the helicopter and trample Kelvin. Look up the term “brumby” and sketch what Cal sees.
- 2) Winter seems to know nothing about the Ormond Jewel, but Cal finds a picture of her wearing it after breaking into Sligo’s safe. Do you think that Cal should still trust Winter? Why or why not?
- 3) The photos on the memory stick sent by Jennifer Smith include images of the ruins of an ancient castle, a gate with the number five carved on it, and a carved wardrobe standing against a wall. What do you think is the significance of these images?
- 4) Boges tells Cal that everything will fall into place once they find the right spot in Ireland. Do you think Cal will end up traveling to Ireland? If he does, how do you think he will get there without being caught?
- 5) Cal discovers a rose on the back of the Ormond Jewel. One of Cal’s Dad’s drawings is of a boy holding a rose. What do you think is the relationship between the roses?
- 6) When Cal needs to get Boges money to find out Sligo’s address he almost ends up helping Griff steal a luxury car. Griff explains to Cal that is a victimless crime, but Cal does not agree. Later in June, Cal steals the Ormond Jewel from Sligo’s safe. How are these situations similar and how are they different?
